LT. WEBB'S FUNERAL

Funeral services of Lieut. Henry Webb were held at the First M. E. church Sunday afternoon, under the auspices of the Masonic order, with Rev. Snudden officiating, and were attended by the many friends and relatives, and also by the army friends of the aviator, from both Rockwell and March fields, six of whom acted as pall bears, and the members of the local league of American Defenders.

Burial was in Forest Lawn, and during the services at the grave fellow officers in their planes, hovered over and dropped their floral tributes.

NEW OFFICE BUILDING

Hal Davenport, Tropico's leading real estate dealer is putting the finishing touches to one of the most distinctive and attractive offices to be found anywhere.

The new building which occupies the same location as the old, a short distance north of Cypress street on Brand Blvd., is set back from the sidewalk, and with the French windows in front and a side entrance, with pergolas on three sides, and space for lawn and flowers, is quite an added improvement and in harmony with Dr. Lucas' attractive office which it neighbors.

Wesley H. Bullis was taken suddenly ill, Friday of last week and his condition was so serious that he was taken to the Sanitarium, where he is still being cared for, with Mrs. Bullis who has been relieved of her duties as one of the teachers at the Acacia school, at his side. Mr. Bullis suffered from a hemorrhage of the stomach, and is slowly recovering. His many friends are anxiously hoping for his complete recovery.

MARRIED: ENNIS-PECKHAM

Miss Frances Ann Peckham, daughter of Mr. and Mrs. Chas. L. Peckham of Glendale, and Mr. Oliver Ennis of Los Angeles, were united in marriage Friday evening, Oct. 10th, at 8 o'clock at the home of the bride's parents on N. Central avenue. Dr. Willisford officiating and only relatives of the contracting parties in attendance.

Frances is a grand-daughter of the late C. C. Chandler of Tropico.

After the ceremony, a wedding supper was served and a social evening enjoyed. The bride and groom left for their honeymoon trip laden with rice and flowers in abundance.

The "newly weds" will make their home in Bakerfield where the groom is employed in news paper work but it is hoped by their many friends that they will come back here to locate.

WADING, OR WASHING?

Recently a Glendale citizen had business near Verdugo Park and saw a picnic party there, the woman of the party was wading in the stream that flows through the park. Our friend remonstrated with her by asking if she knew that this stream supplied the drinking water of much of Glendale? She replied that she was not washing her feet, she did that at home. Her escort threatened to smash the face of our friend for his interference, so he very discreetly retired and by telephone tried to locate a Glendale policeman, to attend to the case, but failed.

In view of the fact of the very frequent "rotteness" about our drinking water recently, we fear that there has been more wading and we desire to suggest that either the waders desist or not let such a long time elapse between "wades".

OPENS OFFICES IN CITY

Dr. A. W. Teel, who has just recently returned from a trip to Europe where he did much professional work in the interests of Uncle Sam, and who has many friends in Glendale, has opened offices in the Ferguson Building, corner of Third and Hill Sts., Los Angeles. He is located in rooms 602-606-607, and his telephone number is Main 4481. Although the Doctor has opened offices there he is still a resident of Glendale, living at 608 North Maryland Ave.

SHOULD LOOK UP

Some of the editors of the daily papers seem to be lying on their stomachs looking down into a pit or chasm trying to find that brilliant native son Senator Hiram Johnson. He is not there. They should turn over on their backs and look 'mong the stars. They will find him there. He is good presidential timber and would be a great honor in that office, not only to Californians but to the people of the U. S. There may be some honest differences of views and opinions, but nothing is built by bias and pregidice. We have a glorious country and a large number of good, great and honest men. Hiram Johnson is one of them and the people will likely pull him down from among the stars next year for noble service.

TRUSTEES PROCEEDINGS

Regular meeting of the Board of Trustees, October 16th, 1919.

The Board assembled at 8 o'clock. Present: Trustees Muhleman, Shaw, Jackson, Woodberry. Absent: Trustee Henry. Minutes of the regular meeting of October 9th, 1919, were read and approved.

A large number of citizens, principally residents of Riverside Drive, and property owners in that vicinity, were present and their purpose was made known by Mr. Shank, who filed a protest with the Board, signed (as he stated) by over one hundred persons, asking that the permit granted by the Board at its last regular meeting to Dr. Marie Magill-Corby for the establishment of a convalescent home at 525 S. Central avenue, be revoked. Mr. Shank addressed the Board in regard to the matter, as did also Messrs. Neil, Shattuck, Yost and others. Mrs. Ella W. Richardson, Dr. Magill-Corby and Mr. Barstow also addressed the Board in opposition to the plea of the petitioners.

Trustee Shaw presented the following resolution which was, on his motion, seconded by Trustee Woodberry, adopted by the following roll call: Yes — Jackson, Muhleman, Shaw, Woodberry. Noes — None. Absent — Henry.

"WHEREAS, This Board did on the 9th day of October 1919, grant a permit to Dr. Marie Magill-Corby for the maintenance of a convalescent home at 525 South Central avenue in this city, and the Board on further consideration of the matter is of the opinion that the place above mentioned is not a suitable place for the said institution.

NOW THEREFORE, be it resolved, that said permit is hereby revoked.

A communication was read from the Railroad Commission of the State of

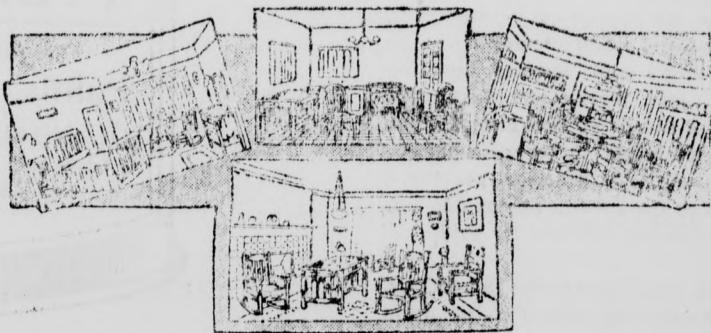

California giving notice that the case before the commissioner in regard to the matter of the practice of electric utilities as to extension of service has been set for rehearing November 17th, 1919, in the court room of the Commission at San Francisco. Referred to the City Attorney.

On motion of Trustee Jackson it was ordered that bids to furnish the city with automobiles be opened at this time. Only one bid was on file, being that of Campbell & Sutherland,

offering to furnish the city with two 1920 model Maxwell five-passenger automobiles for two thousand, two hundred, seventy dollars and fifty cents (\$2,270.50). On motion of Trustee Shaw it was ordered that the bid be rejected and the Clerk instructed to re-advertise for bids to be opened at 8 o'clock p. m., October 30th, 1919.

City Manager presented to the Board his bond furnished by the American Surety Company of New York in the sum of \$1,000. On mo-

tion of Trustee Shaw, bond was approved.

A deed executed by the City Treasurer of the City of Glendale conveying Lot A, in Tract 927, was presented to the Board. On motion it was referred to the City Attorney.

City Manager presented to the Board policy on Fire House No. 1, in the amount of \$3,000, for a term of three years, in the Northwestern National Insurance Company, which was approved and ordered to be filed. City Manager also presented to the Board a lease covering two-inch pipe line on the Pacific Electric line near Dryden street, which was, on motion of Trustee Shaw approved and ordered to be signed by the proper city officials.

Trustee Shaw presented an ordinance read at the last meeting of the Board and moved its adoption, same being adopted on roll call, all voting "aye," as Ordinance No. 361.

"An ordinance of the Board of Trustees of the City of Glendale, calling a special election to be held in said City on the 12th day of November, 1919, submitting to the qualified voters of said city the proposition of incurring an indebtedness in the sum of \$260,000.00 for the acquisition, construction and completion of certain municipal improvements in connection with the combined development, operation and improvement of the Water Works and System and the Electric Light Works and System of the City of Glendale; providing for the issuance of bonds therefor, subdividing the city into election precincts, designating the polling places and appointing election officers for said election."

Trustee Shaw presented the following resolution and moved its adoption

same being adopted on roll call all voting "aye."

"WHEREAS the car service of the Pacific Electric Railway into and out of the City of Glendale has for a long time been disorganized and deficient and the citizens of this City, realizing the difficulties under which said Railway Company was laboring in maintaining its service, have waited patiently for the resumption of normal service; and whereas, a sufficient time has elapsed in the opinion of this Board and the citizens of the City of Glendale for such resumption of normal service and said company has in response to a communication from the City Manager promised to restore normal service by October 15th, 1919, which date has passed, but the service still remains very unsatisfactory.

NOW THEREFORE, be it resolved, that this Board strongly protests against the slowness, irregularity and

inadequacy of the service of the Pacific Electric Railway Company to the City of Glendale, whereby thousands of our citizens are daily delayed and seriously inconvenienced, and demand of said company that it proceed without further delay to render an adequate and satisfactory service to and from this city; and that if said company fails to do so, this Board will take whatever steps are within its power to encourage other means of transportation and the City Clerk is hereby directed to forward a copy of this resolution to said Pacific Electric Railway Company.

On motion of Trustee Woodberry, City Manager was authorized to attend the session of the convention of the California municipalities to be held at Riverside at the expense of the city. Also that the Auditor of the Public Service Department be authorized to attend same on Tuesday and

Wednesday, and that the Health Officer be in attendance for two days, by the following roll call: Jackson, Muhleman, Shaw, Woodberry, all voting "aye." Noes—None. Absent — Henry.

An application for a permit to conduct an automobile business in the City of Glendale (jitney service) was presented by Mike Sarason and on motion of Trustee Jackson, permit was granted, subject to the approval of the City Marshal.

Trustee Shaw presented an ordinance amending Section 8 of Ordinance No. 356, and on motion same was ordered to be laid over until the next regular meeting.

GAYEST FESTIVAL EVER. HALLOWE'EN AT VENICE

"There is but one Hallowe'en and That's at Venice." And those who have participated in the former celebrations at the beach city are unanimous in saying the above statement is an absolute fact. 1919 Hallowe'en will excel in pleasure and thrills all past festivals, with hundreds of new features added to the carnival program.

Cash gifts and pretty souvenirs will be awarded to the prettiest costumes; the Mardi Gras Ball at the dance pavilion will have over 1000 features and \$500.00 in gifts. Serpentine and confetti battles along the pier; fireworks at midnight; joker bands; foolish quartettes, clowns and funmakers will delight the visitors with their funny antics along the strand and pier.

The Queen of the Carnival and her royal pageant will be selected at the band plaza at 10:30 p.m., followed by a costume parade led by her royal highness and escort. The royal carriage will be drawn by three perfectly white burros, and along the line of march red and green fire will illuminate the procession.

The Yama Yama Girls, headed by Miss Jewel Pathé, will direct the festival with a number of specialties. All these young ladies are talented artists and will add a great deal of merriment to the program.

The Hallowe'en program opens at 7 p.m., and continues until ?. If you want a real night of fun come to Venice for the only real Mardi Gras.
